

THE MCKENZIE INSTITUTE INTERNATIONAL®

Conference Registration Cancellation Policy:

Every attempt will be made to offer the conference program as publicized. However, the McKenzie Institute International (MII) reserves the right to adjust the program to accommodate unforeseen circumstances. Program changes that result in a date change will permit registrants to cancel with a full refund. MII also reserves the right to postpone or cancel the conference due to insufficient enrolment or unforeseen circumstances up to 6 months prior to the event. If the conference is cancelled by the McKenzie Institute, a full refund will be provided to registrants. MII is not responsible for any travel expenses incurred by registrants due to such cancellations. If you wish to make travel arrangements prior to the 6-month cancellation deadline, we recommend you choose rates that allow flexibility.

Conference fees are processed at the time of registration. Once processed the fee paid is subject to cancellation penalties should the registrant subsequently cancel. The cancellation penalty will increase the closer the cancellation request is made to the commencement of the conference. For more details on the penalty stages associated with cancelling your registration, please see below.

By checking the box on the registration form I confirm I have read and understand the cancellation policy outlined above and agree to abide by the terms and conditions laid out in the policy. I understand that financial commitments are being made by MII based on the conference registrations received and that cancelling after making the commitment to attend can adversely affect the conference budget.
